WALTER MADDOX
Mayor

Friends,

It is with an open heart that I welcome you to absolutely the best City in the nation. Born beside the Black Warrior River, for nearly 200 years the City of Tuscaloosa has emerged as one of America's most progressive communities. Tuscaloosa is transforming before our very eyes. Our Riverfront and Downtown is in the midst of a public/private multi-million dollar reinvestment, which will build a community where we can live, work and play.

We are also very proud of Shelton State Community College and how its impact pervades every aspect of our community. I am certain that you will enjoy your visit to the campus of one of the finest two-year institutions our state has to offer. From experiencing the thrill of competition on the hardcourt to enjoying all that this All-American City has to offer, we open our arms to welcome you home!

Sincerely,

Mayor

Fortunately, at Bishop State you can live out your dream of playing college sports while laying the groundwork for a career, or a four-year college and a shot at the pros. The Bishop State Wildcats athletics' program includes baseball, softball and basketball in the highly competitive National Junior College Athletic Association. With more than 30 associate degree and certificate programs, general courses of study and transfer options, Bishop State offers an affordable alternative to the four-year college, or a jumpstart on a career in two years or less.
